Datasheet

HP Pavilion 11-h102sa x2 PC

The perfect PC featuring excellent designs that provide powerful performance.

HP recommends Windows.

Create on a notebook. Connect on a tablet.

Switch this innovative thin design easily from a notebook PC to a tablet, and then transform it back again.

Superb audio and visual.

Enjoy clearer, brighter web chats[1] with a difference you can see and hear, thanks to dual webcams, an HD display,[2] and Beats Audio™.

Type and create easily.

Have everything you need to easily type a report or put together a presentation on the go. A full-size keyboard and 29.4 cm (11.6") diagonal touchscreen display places productivity at your fingertips.

HP Connected Music.

Embedded Software that allows consumers to access the Universal Music Catalogue for 1 year for free and a chance to win concert tickets, meets and greets with artists and exclusive concerts[3].

[1] Internet service required and not included. [2] High definition (HD) content is required to view high-definition images. [3] Offer available on HP consumer PCs with Windows 8. Streaming option is free for 365 days from first day of the registration. Registration deadline: December 31st 2013.

Datasheet
